MY VISIT TO THE CORNISH SEAL SANCTUARY

GETTING READY FOR THE CORNISH SEAL SANCTUARY

 Me and my family will visit the Cornish Seal Sanctuary.

 I will explore the different areas and animals.

 I will wear comfortable clothes and shoes.

 I can bring things to help me like my ear defenders,

 fidget toys or snacks.

Seal rescue and rehabilitation is at the heart of everything we do here at the Sanctuary and has been for over 60 years. Meet our seals, learn all about their individual stories, and get up close with a variety of marine animals.

Welcome to Cornish Seal Sanctuary

ARRIVING AT THE CORNISH SEAL SANCTUARY

The entrance might be busy.

I will wait in a queue for my turn to

have my ticket checked.

I will see the admissions desk and

THE SEALS

 I will see different enclosures with seals.

 I can listen to information about the seals

 from the keepers and watch them being fed.

 I might hear the seals barking or splashing

 in the water.

 This area might smell salty and fishy.

THE PUFFINS

 I can watch the puffins swimming and diving into the water

 and  sheep  in  a  field  with  wooden  fences.
